

I don't know if I've told you often enough, if at all; how grateful I am that you are in my life.

I love how you appreciate and accept me exactly as I am with no judgement or criticism. I love the way you embrace my wild and crazy notions without ever making me feel small or stupid. I love how when I'm with you, or even when I think about you, I feel SO loved and cared for and supported. Just thinking of you warms my heart.

I love the way you are so honest, and yet you are so thoughtful of my feelings; so kind and gentle. You inspire me to be more than I ever thought possible.

*It is people like you who inspire people like me to shine.
And for that, I want to say "THANK YOU".*

*I am SO grateful for all the gorgeous qualities
that make you, "you"!*

*Please don't EVER change.
I love you EXACTLY as you are.*

*Thank you for being you.
I'm so glad you were born!*
